Copying Richard for IRIS – Richard, EPW asked me quite a few questions about IRIS. In advance of the Administrator's hearings, can you provide some talkers about modifications to IRIS, the Senate's suggestion that we merge with TSCA and how we are addressing that?

Thanks!

Troy, please see my edits in tracked changes. I will be able to attend for the first 30

min. tomorrow but then have to step out for a briefing with the Administrator.

Please let me know if you think we should include reorgs or IRIS – I think the former is likely covered in our discussion of EJ, and the latter in Richard's discussion.

Thanks,

Holly
